- Intermediate Python 3.10
- Basic SQL and Security Concepts
- JavaScript, React, Node JS
- WZ - Interview and Interrogation
- Exceptional Attention to Detail
- Poise in High-Stress Situations

WORK EXPERIENCE

11/2020 - 1/2022 - This Gideon Event Space / Basehor, KS

Venue Manager

As the Venue Manager, I was responsible for setting up for various events to fit our client's needs, inventory and order of liquor and other supplies, record keeping, bartending and event security, training new employees, and coordinating with clients and vendors.

4/2018 - 07/2020 - Titan Protection & Consulting / Overland Park, KS

Lieutenant of Field Operations

In September of 2019 I was promoted to Lieutenant of Field Operations where my role was to provide elite service to clients by leading over 200 armed and unarmed security officers in day to day duties. I achieved this by effective schedule maintenance and problem solving, training and evaluating officers, incident response and review, as well as collaborating with peers on a regular basis.

3/2012 - 3/2018 - Target Corporation / Kansas City Metro Area

Assets Protection Team Leader

In April of 2017 I was promoted to this management role in which I was the store loss prevention and safety leader, responsible for implementing and sustaining a strong safety culture. Other duties included cultivating theft and fraud prevention programs, ensuring merchandise protection was available and used properly, and utilizing spreadsheets, reporting software, and inventory control to reduce loss while driving company sales.
